### ***Remarks***

1. Applicant cancelled claims 8, 10 and 11 through 14 within the application. These were the only claims rejected within the previous office action. Thus the remaining claims are allowable and the application is in condition for allowance.

### ***Allowable Subject Matter***

The reasons for indicating allowable subject matter were given within that action and are the same reasons for allowance of the claims, see the previous action for the specific reasoning.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
